

Remarks

The applicant received a Notice of Non-Compliant Amendment (37 C.F.R. 1.121) dated January 3, 2006 in the subject application. The Notice indicates that the figures that accompanied the applicant's Amendment of December 6, 2005 should have been labeled "Replacement Sheet" and that the complete set of drawings should have been presented. The applicant respectfully submits that the figures submitted with the Amendment were not replacement figures, as no amendments were made to the figures. However, in order to expedite prosecution of the subject application, submitted herewith is a true and exact copy of the complete set of figures as filed, labeled as Replacement Sheets.

As stated in the Amendment of December 6, 2005, the applicant notes that the photographs that are in the Image File Wrapper on PAIR are much less clear than the photographs that the applicant provided when the application was filed. The photographs that the applicant provided appear to have been scanned into the Image File Wrapper using a poor resolution setting. The applicant respectfully requests that the photographs submitted herewith be scanned in using a high resolution setting.

The Commissioner is hereby authorized to charge any fees under 37 C.F.R. §§1.16 or 1.17 as required by this paper to Deposit Account 19-0065.

Respectfully submitted,
